Subject: Discretionary Use Development Permit

Prepared By: Elaine Macdonald

Council Meeting Date: Sept. 8, 2021

Agenda Item: 8A.

<u>Background</u>: An application for a development permit was received Aug. 11, 2021 and is for a garage on a property that is zoned Central Business District (CBD). In the Land Use Bylaw, an accessory building for this zoning is a discretionary use and as such requires Council's approval.

The application included a site plan indicating the proposed setbacks.

In the Land Use Bylaw, the setbacks for a building follow the same as in a residential zone and the setbacks in this proposal meet the requirements.

Side yard setback = 3 meters on the street side of a corner site required – 3 meters supplied Rear yard setback = 1 meter required (3 meters on corner site if access is from the lane) – 3 meters supplied

Options: 1) Council can refuse the development permit application and must provide the reason for refusal.

2) Council can approve the development permit application and neighbouring properties will receive notification of the approval and there will be a 21 day appeal period.

Financial Implications: N/A

**Communication**: If approved, all required communication will be done.

**Recommendation**: THAT Village Council approves the development permit application.

Subject: Storage Lot Information

Prepared By: Elaine Macdonald

Council Meeting Date: Sept. 8, 2021

Agenda Item: 8B.

<u>Background</u>: At the Council meeting held July 14, 2021, Council requested information be brought forward to the next meeting regarding the storage lot. The specific information requested was how many users are behind in their payments and what can we do with the units that are derelict and the site not paid for.

There are 3 units in the lot that are in a total state of disrepair. They wouldn't be able to be moved without being loaded onto a flat deck. One of those units is up to date on payments but the other two are not because we have had no way of contacting the owners.

There are 3 units in total that are unpaid, one is a year behind and the other 2 are several years behind. Several attempts were made to contact the owners of the 2 but phone numbers are not valid anymore and there has been no success in reaching them. The third one was contacted last year, and he did remove some of his stuff, but the one trailer remains and the contact number we have on file is no longer in service.

Different regulations and acts were reviewed to determine what our rights are as far as being able to have them removed at no cost to the Village, but no clear answer was found. An e-mail was sent to Wheatland County Bylaw and as of the writing of this report, a response has not been received.

Administration will continue to research the information regarding the removal of the derelict, unpaid units.

**Recommendation**: THAT Village Council accepts the report regarding the storage lot as information.

Subject: Sewage Lagoon Repair Options

Prepared By: Elaine Macdonald

Council Meeting Date: Sept. 8, 2021

Agenda Item: 8C.

<u>Background</u>: Information was provided to Council regarding the quotes to have the repairs done at the sewage lagoon. Initially, we had a quote from Ken Rose, but that quote didn't include any type of rip rap or other structural integrity measures. Knibbs Development provided quotes for both stainless steel and PVC pipe and included screw piles and rip rap. The PVC option would carry a one-year warranty and the stainless steel option would carry a ten-year warranty.

The difference in cost is \$3,000 - PVC = \$16,000 and stainless steel = \$19,000. Funding could come from MSI operating grant or MSI capital or FGTF grant.

**Financial Implications:** 

Communication:

**Recommendation**: THAT Village Council provide direction to Administration regarding the replacement of the piping at the sewage lagoon.

#### REQUEST FOR DECISION

Subject: ATCO Franchise Fee - 2022

Prepared By: Elaine Macdonald

Council Meeting Date: Sept. 8, 2021

Agenda Item: 8D.

<u>Background</u>: We have received a letter from ATCO gas regarding the franchise fee for 2022. If Council would like to change the amount we receive, we must let them know in writing prior to Nov. 2, 2021.

We are currently at 30% of the delivery tariff and the maximum amount permitted is 35%. At the current rate, the projected revenue to the Village is \$38,565 based on their projection of \$128,551 delivery tariff.

Options: 1) Council can leave the franchise fee percentage at 30% for 2022.

- 2) Council can increase the franchise fee percentage to an amount not greater than 35% for 2022.
- 3) Council can decrease the franchise fee percentage for 2022.

<u>Financial Implications</u>: The projected franchise fee is included in the annual budget so any change would be reflected at that time.

#### Communication:

<u>Recommendation</u>: THAT Village Council provide direction to Administration regarding the franchise fee percentage for ATCO Gas.

August 20, 2021

Village of Rockyford PO Box 294 Rockyford, AB T0J 2R0 AUG 2 7 2021

Attention:

Ms. Elaine Macdonald, Municipal Administrator

RE: ATCO Gas and Pipelines Ltd. Franchise Agreement

Pursuant to our franchise agreement, your municipality has the ability to change the franchise fee percentage in 2022; this request must be received by ATCO Gas in writing prior to November 1<sup>st</sup>, 2021. If you are considering changing the franchise fee in 2022, please contact us as soon as possible to begin the process.

As you are aware, ATCO Gas pays the Village of Rockyford a franchise fee. The franchise fee is collected from customers in the community based on a percentage of our Delivery Tariff. In the Village of Rockyford, this percentage is 30.00%.

In 2020, our Delivery Tariff revenue in the Village of Rockyford was \$102,729. Our forecast Delivery Tariff revenue for 2022 is \$128,551. Therefore, based on the current franchise fee percentage, the forecast 2022 franchise fee revenue would be \$38,565.

We trust you will find this information useful, and, if you have any questions or require anything further, please do not hesitate to contact me at <a href="mailto:Jaques@atco.com">Jamie.Jaques@atco.com</a>.

Yours truly,

Jamie Jaques Manager, Calgary

Subject: Appointment of Library Board Members

Prepared By: Elaine Macdonald

Council Meeting Date: Sept. 8, 2021

Agenda Item: 8F.

**<u>Background</u>**: The library board has had three people come forward with an interest of joining the board. Vivianne Borley, Brittany Martin and Jessica Whittle have all shown an interest in joining the board.

Options: N/A

Financial Implications: N/A

Communication: N/A

**Recommendation**: THAT Village Council approves the appointment of Vivianne Borley, Brittany Martin and Jessica

Whittle to the library board for a term of three years.

Subject: National Truth and Reconciliation Day

Prepared By: Elaine Macdonald

Council Meeting Date: Sept. 8, 2021

Agenda Item: 8G.

<u>Background</u>: In June 2021, the Federal Government announced that Sept. 30 would be the National Truth and Reconciliation Day. The Province of Alberta has not followed suit in this declaration and will not be following the federal guidelines but will be leaving it up to each municipality to decide what they choose to do.

In researching the topic, many of the municipalities and school boards in Alberta are observing the holiday. In Canada, Alberta, Saskatchewan, and New Brunswick are not observing the holiday.

Typically, the Village observes holidays that banks observe. In this case, federally regulated workplaces like banks will have the day off as a stat holiday.

**Options**: 1) Council can add Sept. 30 as a stat holiday to the list of stat holidays

2) Council can determine that Sept. 30 is not a stat holiday unless the Province follows the Federal Government.

<u>Financial Implications</u>: The staff wages have been budgeted for on an annual basis, there will no change to the financial status.

Communication: Notification of office closure will be made as usual if closure is Council's wish.

<u>Recommendation</u>: THAT Village Council provide direction regarding the observance of National Truth and Reconciliation Day.

Ms. Elaine Macdonald Municipal Administrator Village of Rockyford cao@rockyford.ca

Dear Ms. Macdonald.

This letter is formal notification that the Grants and Education Property Tax Branch, Alberta Municipal Affairs, will be performing a detailed assessment audit for the Village of Rockyford.

Assessment audits are performed under the authority of section 22 of the Matters Relating to Assessment and Taxation Regulation, 2018. The objective of the detailed assessment audit is to provide an unbiased opinion as to the quality of the 2020 assessment roll (2021 tax year). The opinion will be based upon a review of practices and procedures used by the village and assessor in administration of the assessment program in relation to applicable legislation, best practice references, and audit procedures outlined in the provincial Detailed Assessment Audit Manual. As a benefit to the municipality, the audit will identify where opportunities exist to improve assessment performance and quality of the assessments.

The auditor will contact you and your assessor soon to discuss the audit process and to make arrangements for conducting the audit. Your assessor will be the primary contact with the auditor and should be able to provide any required information. We anticipate making all contact by phone or email. In the event a hard-copy exchange of information is necessary, we will make special arrangements.

It would be appreciated if you would inform your council a detailed assessment audit has been scheduled for your municipality.

If you have any questions, please contact your Assessment Auditor, Mike Lavigueur at 403-297-5715.

Yours truly,

Christine Bigoray

#### Dear Mayor Burke:

On October 18, 2021, the Government of Alberta intends to conduct a provincewide election of nominees for Canada's Senate, as well as a referendum. Senate and referendum voting will be conducted alongside the general municipal election. To support local governments administering these votes, the Senate Election Grants Regulation under the Alberta Senate Election Act and Referendum Payments Regulation under the Referendum Act require the Minister of Municipal Affairs to make payments to the local authorities that are administering the votes.

#### The regulations state:

- where an election under the Local Authorities Election Act is required in a municipality or ward, the elected authority or other body that conducts the vote under the Alberta Senate Election Act or Referendum Act in that municipality or ward shall be paid a grant of \$1 per capita or \$1,000, whichever is greater; or
- where no election under the Local Authorities Election Act is required in a municipality or ward, the elected authority or other body that conducts the vote under the Alberta Senate Election Act or Referendum Act in that municipality or ward shall be paid \$2 per capita or \$2,000, whichever is greater.

Given there will be both senate elections and referendum questions occurring as part of the 2021 municipal general election, municipalities holding local elections will be eligible for a grant of \$1 per capita or \$1,000 (whichever is greater) for the senate election vote and \$1 per capita or \$1,000 (whichever is greater) for the referendum for a total interim grant of \$2 per capita or \$2,000 (whichever is greater).

Should it then later be determined that a municipality does not need to hold a local election, the municipality will then be eligible for an additional grant of \$1 per capita or \$1,000 (whichever is greater) for the senate election vote and \$1 per capita or \$1,000 (whichever is greater) for the referendum for a total combined grant of \$4 per capita or \$4,000 (whichever is greater).

.../2

Based on this formula, and to streamline the process, the **Village of Rockyford** will receive an initial grant payment of **\$2,000** in August to conduct the 2021 Senate election and referendum. If a local election is not held under the *Local Authorities Election Act* in the **Village of Rockyford** on October 18, a second payment of **\$2,000** will be made in October.

If the Senate election and/or referendum are cancelled, the **Village of Rockyford** will be required to return the initial grant payment to the Government of Alberta, if requested by the province.

Some municipalities may be administering the Senate election and referendum on behalf of the Minister of Municipal Affairs for a neighbouring entity, and will receive the payments calculated for the neighbouring entity. These municipalities will receive a separate letter confirming the additional amounts once the contracts are finalized.

Conducting the Senate election and the referendum at the same time as local elections will leverage efficiencies and economies of scale, while ensuring all Albertans have the ability to participate in the vote.

Thank you for your work in strengthening democracy in Alberta.

Sincerely,

Ric McIver Minister

Dear Mayor Burke:

Thank you for your letter of June 14, 2021, regarding the Government of Alberta's commitment to conduct a detailed study into the costs, benefits, and structure of a potential Alberta provincial police service. As Minister of Justice and Solicitor General, I appreciate the opportunity to provide the following information.

The Fair Deal Panel consulted with tens of thousands of Albertans and heard about many rural Albertans' frustrations with the RCMP and additionally, consulted with policy experts and undertook research to inform its recommendations. As indicated in the Fair Deal Panel's report, that although many Albertans express their appreciation and respect for the work of hardworking rank and file members in the RCMP who serve our communities, many Albertans are also frustrated with the challenges of a police force that is ultimately managed in Ottawa.

The Government of Alberta has an obligation to listen to the concerns of its citizens, undertake a thorough study of the topic, and make an informed decision on whether an Alberta provincial police service can improve the safety and security of Albertans and their property. Justice and Solicitor General, along with its project contractor PricewaterhouseCoopers (PwC), is currently conducting a feasibility study on the costs, benefits and structure of a potential Alberta provincial police service. Through this study, we also have a responsibility to see if there are new approaches to provincial policing that can provide greater value for taxpayers, while strengthening the connection between police and communities they serve.

Police have an essential role in protecting our communities – which is why we will ensure police funding is used to keep Albertans safe. As part of the study, PwC has been asked to develop a model of provincial policing that increases citizen input, enhances connections to the community, improves services, leverages efficiencies, reduces bureaucracy, and does not impose additional costs on municipalities.

PwC delivered their report to the provincial government on April 30, 2021. The Government of Alberta is currently reviewing the report. If the Alberta government decides to proceed with further analysis, Justice and Solicitor General will conduct further study and engagement, which will include local policing perspectives from municipal partners.

Thank you again for writing. I look forward to working with you further as we ensure all Albertans feel safe, secure, and protected in their communities.

Yours very truly,

Dear Hon. Madu,

## Re: Big Lakes County's Support for the Royal Canadian Mounted Police

At the July 28, 2021 regular meeting of Council, the many letters of support received from across the province in support of the Royal Canadian Mounted Police (RCMP) were discussed and a motion of opposition to the Provincial Government's recent proposal for a Alberta Provincial Police force was passed.

Rather than starting a new police service and the burden of costs and management that would come with that, we believe it would be better for the Alberta Government to investigate ways that the RCMP could receive more support. In previous history, Alberta had its own provincial police force, which led to economic hardships and the police force being unsustainable and the Royal Canadian Mounted Police policing services taking over. We believe that with todays financial realities we would end up with the same result.

Council of Big Lakes County and the local detachment have a very good relationship and we appreciate the care and commitment theses members show in the community. Our local RCMP detachment is well respected in our community. They are visible in the community and take part in community events and initiatives. With many municipalities, including our own, indicating good relationships with the current RCMP detachments in their area, we do not feel that new police service would serve the best interests of our residents.

We ask for the Provincial Government to listen to the voice of the people and redirect the time, energy and funds being used to investigate an Alberta Police Service be used for other needs, such as RCMP support. BLC Letter of Support RCMP July 28, 2021

We look forward to having an open dialogue with the Province as to the outcome of the continuance of the Royal Canadian Mounted Police. Thank you for taking our concerns into consideration. Please do not hesitate to contact our office should you have any questions or require any additional information.

Sincerely,

Ken Matthews

RE: CODE OF CONDUCT

At the last regular meeting of Claresholm Town Council held Monday, July 19, 2021, Council discussed the Councillor Codes of Conduct instituted by the Alberta Government on October 26, 2017. It has been brought to our attention by the Alberta Urban Municipalities Association (AUMA) that the current Alberta Government has plans in the works to remove the requirement for municipalities to have a Code of Conduct in place to govern all Councillors equally by way of Bylaw.

The Town of Claresholm passed Bylaw #1641, the Council Code of Conduct Bylaw on April 9, 2018 prior to the government's deadline of July 23, 2018. In the current Council's first year of governance, it became inherently clear how important a Councillor Code of Conduct is, as our Council had to undergo advanced communication training and contract outside mediation to overcome some contentious issues.

Claresholm Town Council respectfully requests that your ministry tread this path lightly and make sure that consultation with municipalities in Alberta is completed prior to any major changes being made. The Alberta Urban Municipalities Association should be highly involved, and the Town of Claresholm fully supports their efforts. Having a requirement for municipalities to have a Code of Conduct Bylaw in place provides a framework for Council members' behavior and provides each Council direction and guidance for dealing with any contentious issues that may arise. It is imperative that the option of imposing sanctions on Council members continues as necessary to support this process. Claresholm Town Council requests that the Council Code of Conduct Bylaw requirement remains in place.

If you have any questions or concerns regarding this issue, please contact the undersigned at your convenience.

#### RE: ROYAL CANADIAN MOUNTED POLICE (RCMP) RETROACTIVE PAY

At the last regular meeting of Claresholm Town Council held Monday, July 19, 2021, Council discussed the recent developments that the Royal Canadian Mounted Police (RCMP) have been drawing closer to an agreement that will require retroactive pay to be issued. This has been brought to our attention by the Alberta Urban Municipalities Association (AUMA).

Municipalities in Alberta such as ours under total population of 5,000 have recently been subjected to increasing our property tax rates on citizens and businesses in order to cover the cost of policing in our province. It is also something that we are not able to requisition for, which has further made raising the funds a contentious issue. Our tax payers are being directly affected by the increase already, and will feel the burden even more if our municipality must pay a share of the RCMP's pay increases.

Claresholm Town Council respectfully requests that the Alberta Government ensures that Alberta municipalities are not charged with assisting in funding the RCMP's retroactive pay when the agreement is complete. It should be up to the provincial and federal governments to deal with any shortfalls, and not to overload municipalities with further monetary strain.

If you have any questions or concerns regarding this issue, please contact the undersigned at your convenience.
